LAND PRIME Roulette Promotion

Terms & Conditions

NOVEMBER 2026

Land Prime is running the “Roulette Promotion” (the “Promotion”) and invites eligible new and existing clients who meet the requirements set out in these Terms and Conditions to participate.

By participating in the Promotion, each participant agrees to be bound by these Terms and Conditions (the “Terms”).

GENERAL RULES

1. Eligibility

The Promotion is available to eligible new and existing Land Prime clients who reside in Vietnam, the Philippines, or Thailand.

A “New Client” means a client who newly registers with Land Prime during the Promotion Period, opens an eligible trading account, and completes the applicable KYC verification requirements.

An “Existing Client” means a client who registered with Land Prime before 1 November 2026, has opened a trading account, and has completed KYC verification.

Both New Clients and Existing Clients are eligible to participate in all Promotion missions, including PRIME START, FIRST MOVE, FIRST TRADE, TICKET BOOST, and PRIME FINISH, subject to the applicable mission requirements.

2. Promotion Period

The Promotion Period is from 1 November 2026 at 00:00 (GMT) to 30 November 2026 at 23:59 (GMT).

Unless otherwise stated, all dates and times in these Terms are based on GMT.

3. How to Participate

For New Clients, when an eligible Standard or Cent Account is opened following new registration during the Promotion Period, that account will automatically be registered as the Promotion Account and Reward Account. No separate application or opt-in is required.

For Existing Clients, the client must visit the Land Prime Promotion page, click the “Join Promotion” button, and select one eligible Standard or Cent Account to be used for participation in the Promotion and receipt of Rewards.

All Existing Clients, including clients who participated in a Land Prime promotion before 1 November 2026, must complete the Promotion participation process through the “Join Promotion” button to participate in this Promotion. Participation, mission progress, and mission completion before 1 November 2026 will not carry over, and all missions will start anew in this Promotion.

Participation by an Existing Client becomes effective only after the account selection and participation process has been completed.

4. Eligible Accounts and Promotion Account

The Promotion is available only for Standard and Cent Accounts. Copy Trading and ECN Accounts are excluded.

For New Clients, the first eligible Standard or Cent Account opened after registration will automatically be designated as the Promotion Account and Reward Account.

For Existing Clients, the client may select one eligible Standard or Cent Account through the Promotion page to be designated as the Promotion Account and Reward Account.

Only one Promotion Account is permitted per client.

Eligible deposits, withdrawals, and trading activity across all Standard and Cent Accounts held in the client's name will be combined for the purposes of Tickets and Rewards under this Promotion. Rewards will be credited to the designated Promotion Account.

For the purposes of this Promotion, "deposits" and "withdrawals" mean external deposits and external withdrawals only. Internal transfers between the client's own accounts, Promotion Credit, Bonuses, rebates, and IB commissions are excluded.

5. Roulette Tickets and Participation Categories

Both New Clients and Existing Clients may earn Roulette Tickets by completing the following missions: PRIME START, FIRST MOVE, FIRST TRADE, and TICKET BOOST.

Each of the PRIME START, FIRST MOVE, and FIRST TRADE basic missions is eligible for one Roulette Ticket only, upon satisfaction of the applicable requirements.

Additional Roulette Tickets may be earned through TICKET BOOST whenever a new qualifying Net Deposit threshold is reached.

Both New Clients and Existing Clients may participate in PRIME FINISH if the applicable requirements are satisfied.

6. PRIME START

PRIME START is available to both New Clients and Existing Clients.

For New Clients: The PRIME START mission is completed when the client opens an eligible trading account and completes KYC verification. One Roulette Ticket will be awarded upon completion of both requirements.

For Existing Clients: The PRIME START mission is completed when the client achieves an eligible Trading Volume of 0.01 lot through trades opened after completion of the Promotion participation process.

One Roulette Ticket will be awarded upon completion of the applicable PRIME START requirements.

The PRIME START Ticket may be awarded only once per client.

7. FIRST MOVE

FIRST MOVE is available to both New Clients and Existing Clients.

The FIRST MOVE mission is completed when cumulative eligible deposits reach USD 100 during the applicable Promotion participation period.

Multiple deposits may be combined to meet the requirement.

One Roulette Ticket will be awarded once only.

For Existing Clients, only deposits made after completion of the Promotion participation process will count toward this mission.

8. FIRST TRADE

FIRST TRADE is available to both New Clients and Existing Clients and becomes available after FIRST MOVE has been completed.

Only eligible trades opened after completion of FIRST MOVE will count toward this mission.

FIRST TRADE is completed when cumulative eligible Trading Volume reaches 0.1 lot.

Multiple eligible trades may be combined to meet the Trading Volume requirement.

Each qualifying trade must have a minimum position holding time of 5 minutes.

Where a client is eligible for both PRIME START and FIRST TRADE, eligible trades will first be counted toward PRIME START until PRIME START is completed. A trade counted toward PRIME START will not be counted toward FIRST TRADE, and each mission must be completed with separate eligible trades.

One Roulette Ticket will be awarded once only.

9. Eligible Trading Instruments and Trading Volume

Only eligible trades in Forex and Gold instruments will count toward the PRIME START, FIRST TRADE, and PRIME FINISH Trading Volume requirements.

Silver, Gold Mini, other Commodities, Stocks, and Cryptocurrencies are excluded.

Only trades with a position holding period of at least five (5) minutes, measured from the opening time to the closing time, will count toward the eligible Trading Volume requirements for PRIME START, FIRST TRADE, and PRIME FINISH. Trades held for less than five (5) minutes will be excluded from the eligible Trading Volume calculation.

Trading Volume is counted only for positions opened after the Promotion Account has been designated (for Existing Clients, after completion of the Promotion participation process) and closed before the end of the Promotion Period. Positions opened before that time will not be counted, even if they are closed afterwards. Positions that remain open at the end of the Promotion Period will not be counted.

10. TICKET BOOST

Both New Clients and Existing Clients may participate in TICKET BOOST.

One additional Roulette Ticket will be awarded whenever the client's qualifying Net Deposit reaches a new USD 100 threshold.

For both New Clients and Existing Clients, the first USD 100 used to complete FIRST MOVE will be excluded from the TICKET BOOST Net Deposit calculation.

For Existing Clients, TICKET BOOST will be calculated based on Net Deposit generated after completion of the Promotion participation process.

Net Deposit is calculated as total eligible deposits minus total eligible withdrawals during the applicable Promotion participation period.

Tickets already awarded will not be revoked solely because Net Deposit decreases, except that all unused Roulette Tickets will be cancelled upon an external withdrawal in accordance with Section 11.

However, a previously rewarded threshold will not be rewarded again following a withdrawal and subsequent redeposit.

11. Roulette Ticket Use and Expiration

One Roulette Ticket is required for each Roulette spin.

Roulette Tickets earned before 1 November 2026 will not be carried forward and cannot be used during the Promotion Period.

All unused Roulette Tickets expire at 23:59 (GMT) on 30 November 2026 and cannot be used, restored, transferred, or exchanged for cash after expiration.

If the client makes an external withdrawal from any of their Standard or Cent Accounts while holding unused Roulette Tickets awarded under this Promotion, all such unused Roulette Tickets will be cancelled, regardless of the amount withdrawn.

12. Roulette Rewards

Each eligible Roulette spin will receive a Reward.

Rewards may include Bonuses, vouchers, or physical prizes, subject to the applicable Reward conditions.

Rewards are non-transferable and cannot be exchanged for another Reward or cash unless otherwise determined by Land Prime.

For the Rewards listed below, the winning client may choose either the awarded prize or voucher, or the corresponding fixed USD amount credited as balance to the client's designated Promotion Account:

Awarded Reward	Alternative Balance Amount
Maldives Trip for Two	USD 4,000
iPhone Duo (256GB)	USD 2,500
Gold	USD 555
Grab Voucher	USD 20

The client may receive only one of the two options for each awarded Reward. The amounts listed above are fixed alternative balance amounts and do not represent the current retail or market value of the prizes or vouchers.

Any amount credited as balance under this option constitutes a Reward for the purposes of Appendix Clause 1.4 and remains subject to the applicable Promotion Terms & Conditions. Choosing the balance option does not, by itself, make that amount immediately withdrawable.

Clients may be required to provide accurate information within the specified period to receive a physical prize or voucher.

13. PRIME FINISH

Both New Clients and Existing Clients may participate in PRIME FINISH.

The final PRIME FINISH Tier will be determined using the client's Net Deposit and cumulative eligible Trading Volume as of 23:59 (GMT) on 30 November 2026.

For New Clients, Net Deposit and eligible Trading Volume generated during the applicable Promotion participation period will be used for calculation.

For Existing Clients, only Net Deposit and eligible Trading Volume generated after completion of the Promotion participation process will be counted toward PRIME FINISH.

The client must satisfy both the Net Deposit and Trading Volume requirements for the applicable Tier, and the highest Tier for which both requirements are met will apply.

Any Tier displayed during the Promotion Period is provisional and may change according to deposits, withdrawals, and trading activity.

Tier	Net Deposit	Trading Volume	NDB Bonus
BRONZE	USD 2,500	5 lot	USD 50
SILVER	USD 5,000	20 lot	USD 100
GOLD	USD 10,000	50 lot	USD 150

14. PRIME FINISH Results

Eligible clients will be individually notified of their final PRIME FINISH results by 10 December 2026 via the email address registered with Land Prime.

15. Participation in Other Promotions

Accounts participating in this Promotion are not eligible for any other Land Prime promotion unless Land Prime expressly states otherwise.

16. PAMM/MAM and Money Manager

Clients referred by or associated with a PAMM/MAM or Money Manager are not eligible to participate in the Promotion.

18. Effective Terms

These Terms and Conditions shall take effect on 1 November 2026 at 00:00 (GMT) and remain valid until 30 November 2026 at 23:59 (GMT).

Appendix – Roulette Promotion Credit Terms & Conditions

This Appendix forms part of the Land Prime Roulette Promotion Terms & Conditions and governs the use of Promotion Credit awarded under the Roulette Promotion and the withdrawal conditions applicable to profits generated through trading using such Promotion Credit.

1. Nature and Use of Promotion Credit

1.1. Any reward provided as Credit under the Roulette Promotion (the "Promotion Credit") is non-withdrawable and may only be used for trading purposes as margin in the client's designated Promotion Account.

1.2. Promotion Credit itself cannot be withdrawn or converted into cash.

1.3. If the client makes any withdrawal or internal transfer from the Promotion Account while Promotion Credit remains in the account, all remaining Promotion Credit will be deducted in full, regardless of the amount withdrawn or transferred. This includes internal transfers to another trading account held by the same client.

1.4. Reward Balance and Credit Before Any Deposit or Trading. If the client makes a withdrawal or internal transfer from the Promotion Account without having made any deposit or conducted any trading, all remaining amounts awarded as a Reward and credited as balance or Promotion Credit in that account will be deducted in full, regardless of the amount withdrawn or transferred. This includes internal transfers to another trading account held by the same client. For the avoidance of doubt, this Clause does not limit Clause 1.3, which applies to all remaining Promotion Credit upon any withdrawal or internal transfer, regardless of deposit or trading activity. This Clause applies to the Reward amounts themselves and does not alter the conditions for withdrawing profits generated through trading using Promotion Credit under Clause 2.2.

2. Profit Withdrawal Conditions

The conditions for withdrawing profits generated through trading using Promotion Credit depend on whether the client has made an actual deposit, as set out below.

2.1. Deposit-Funded Trading. Where the client has deposited their own funds, traded using such deposited funds, subsequently received Promotion Credit through the Roulette Promotion, and traded using such Promotion Credit, no separate minimum trading-volume requirement will apply specifically to the withdrawal of profits generated from such trading. All other applicable withdrawal conditions and Promotion Terms & Conditions remain applicable. Promotion Credit itself remains non-withdrawable, and if the client makes a withdrawal, any remaining Promotion Credit will be deducted in full in accordance with Clause 1.3.

2.2. Bonus-Only Trading (No Deposit). Where the client trades solely using Promotion Credit without making any deposit, profits generated from such trading may be withdrawn only after all of the following conditions have been satisfied:

• The client must complete a minimum trading volume of three (3) standard lots.

• The withdrawable profit amount must be at least USD 30.

• The maximum withdrawable profit amount is USD 100.

• The client is entitled to one (1) profit withdrawal opportunity only.

Once the client has completed the one-time profit withdrawal, the client will not be eligible to make any additional profit withdrawals generated from the same Non-Deposit Promotion Credit.

For example, if the eligible withdrawable profit is USD 70, the client may withdraw up to USD 70. If the eligible withdrawable profit is USD 150, the maximum amount that may be withdrawn is USD 100.

2.3. Promotion Credit itself remains non-withdrawable and cannot be converted into cash regardless of whether the applicable profit withdrawal conditions have been satisfied.

3. Abuse, Misuse and Disqualification

3.1. Any abuse or attempted abuse of the Promotion or reward mechanism, arbitrage intended to improperly obtain Promotion benefits, manipulation, fraudulent activity, multiple-account abuse, or any other violation of the Roulette Promotion Terms & Conditions or Customer Agreement may result in disqualification from the Promotion.

3.2. Where Land Prime reasonably suspects or determines that Promotion abuse or a violation has occurred, Land Prime may, subject to applicable law and the applicable Customer Agreement, cancel, withhold, deduct or offset all or part of any affected Promotion Credit, Bonus, profits generated in connection with the Promotion, and any related Introducing Broker (IB) commissions.

3.3. Land Prime may also remove the client's eligibility for the Roulette Promotion and take any other action permitted under the Roulette Promotion General Terms & Conditions and the Customer Agreement.

3.4. Purpose and IB Commission Eligibility

The Promotion is intended to support genuine client trading activity. Clients and Introducing Brokers ("IBs") must not misuse Bonuses, Promotion Credit, Roulette Tickets or other Rewards to obtain benefits or IB commissions improperly.

No IB commission is payable on trades funded solely by Promotion Credit where the client has not deposited their own funds into the relevant trading account. Once the client has deposited their own funds, eligibility for IB commissions is governed by the applicable IB Agreement and commission terms; a deposit does not automatically make all subsequent trades commissionable or exempt any activity from these anti-abuse provisions.

This commission restriction does not prevent legitimate participation in the Promotion or legitimate trading using Promotion Credit, and does not alter the profit withdrawal conditions under Clause 2.2.

3.5. Prohibited Activities

Prohibited activities include:

(a) Deposit and withdrawal cycling: Arranging deposits and withdrawals without a genuine trading purpose to obtain Bonuses, Promotion Credit, Roulette Tickets or other Rewards improperly, including trading with Promotion Credit to generate IB commissions before withdrawing the original deposited funds.

(b) Recycled deposits: Inducing or coordinating the withdrawal and redeposit of existing client funds to artificially satisfy Promotion requirements or obtain Rewards or IB commissions improperly.

(c) Multiple-account or nominee abuse: Using multiple accounts, other clients' accounts or third-party identities to circumvent participation limits, artificially satisfy Promotion requirements, or obtain Rewards or IB commissions improperly.

(d) Commission churning and coordinated trading: Generating artificial trading volume or coordinating trades across related accounts primarily to obtain IB commissions improperly through the use of Promotion Credit.

(e) Organised or repeated abuse: Directing, encouraging or coordinating any of the above activities through clients, Sub-IBs or multiple related accounts.

Ordinary deposits, withdrawals, redeposits, legitimate trading strategies or participation in the Promotion do not, by themselves, constitute abuse. Land Prime will assess the purpose, trading patterns and relevant circumstances of the activity.

3.6. Review and Investigation

Land Prime may review relevant trading records, deposit and withdrawal records, Promotion participation history and activity across related accounts to investigate reasonably suspected abuse. Pending completion of a review, Land Prime may apply the temporary measures permitted under General Condition 17.2 and Appendix Clause 3.2, subject to applicable law and the relevant agreements.

3.7. Remedies for Confirmed Abuse

Where abuse is established, Land Prime may, subject to applicable law and the applicable Customer Agreement and IB Agreement:

(a) Cancel, withhold, deduct or recover affected Roulette Tickets, Rewards, Bonuses and Promotion Credit obtained through the abuse, and profits directly attributable to that abuse.

(b) Cancel, withhold, deduct, offset or recover IB commissions directly attributable to the abusive activity.

(c) Restrict or remove the relevant client's eligibility to participate in the Promotion and, where permitted by the applicable IB Agreement, restrict the relevant IB's participation in related promotional activities.

(d) In serious or repeated cases, terminate the relevant IB Agreement or restrict future participation in promotions or partner programmes, to the extent permitted by the applicable agreements.

Any action will take account of the nature, severity and repetition of the conduct. Prior notice may be omitted only where permitted by applicable law and the relevant agreements.

3.8. Relationship with Other Terms

Clauses 3.4 to 3.7 supplement General Conditions 17.1 to 17.3 and Appendix Clauses 3.1 to 3.3. Any action concerning an IB's commissions, partner status or IB Agreement remains subject to the applicable IB Agreement.

These provisions do not alter the Promotion Credit deduction rules under Clauses 1.3 and 1.4 or the conditions for legitimate profit withdrawals under Section 2.

4. Relationship with the General Terms & Conditions

4.1. This Appendix supplements the Roulette Promotion Terms & Conditions and the Promotion General Terms & Conditions.

4.2. All other eligibility requirements, account restrictions, abuse provisions and rights of Land Prime under the applicable Promotion Terms & Conditions remain in full force and effect unless expressly modified by this Appendix.

4.3. In the event of any inconsistency between this Appendix and the general Promotion Terms & Conditions specifically concerning the use, deduction or withdrawal treatment of Roulette Promotion Credit or profits generated through such Credit, the provisions of this Appendix shall apply to the extent of that inconsistency.
